

i am hampton collection: Backorder Information

It has always been the goal of the Hampton brand to create a hotel culture where **you** can be at your very best and we think it starts with feeling great about what you're wearing! Our clothing partner, Lands' End Business Outfitters, is proud to provide the **i am hampton** collection.

Due to the overwhelming success of the *i am hampton* collection and the need to meet the compliance date of June 15, Lands' End has felt a very large increase in order volume. Unfortunately, this has led to backorders on a few sizes within the team and traditional kits.

Please know Lands' End is doing everything possible to fulfill the backorders that currently exist and also to avoid future backorders. In the meantime, alternate items are available to fulfill your kits and still meet all Hampton brand standards. Each alternate item comes from the **more choices, more layers** offerings that are already available as add ons to each kit. They compliment the items in each kit and still provide the same style, comfort and choice of the regular kit items.

When orders are placed, should it be discovered that a specific size is not available, Lands' End will substitute items with the following **more choices, more layers** items:

Team Kit

Scoopneck Rib Tee – True Blue	Pale Emerald
Scoopneck Rib Tee – Light Sea Blue	Pale Emerald
$\frac{3}{4}$ Sleeve Striped Blouse	$\frac{3}{4}$ Sleeve Stretch Blouse – China Blue or Pale Emerald
Chino Pants	Alternate Style

Traditional Kit

Women's Gabardine Suiting	Washable Wool Suiting

Please be aware Lands' End has been directed to make these substitutions to ensure that your team members are dressed and in compliance with the brand standards. You will be notified via phone or e-mail if a substitution has been made.

We apologize for any inconveniences this may cause. If you have any additional questions, please contact an **i am hampton** representative at 866.223.4759.
